

# CHOLLERTON C OF E FIRST SCHOOL

## Uniform Recycling Scheme

As part of our journey towards Net Zero, Chollerton First School is launching a **Uniform Recycling Scheme**. Our goal is simple: to cut down on waste and give school-branded items, such as logo jumpers, a second life.

### **We need your help to get started!**

If your child has outgrown any Chollerton branded uniform, please send it into school. These items will be stored safely and passed on to other families as needed. When replacing uniform, please check with us first to see if the size you need is already available.

We're also proud to be switching to Salto UK, a high-quality local supplier based in Prudhoe. This change will make our uniforms more durable and sustainable, meaning they'll last longer and support our recycling efforts. Salto UK will also offer free delivery to school in the Summer Term if orders are placed by a set date.

**School uniform plays a big part in our school identity, and now it can play a big part in caring for the planet too.**

*Please note: at this stage, the recycling scheme is only for branded uniform items (such as logo jumpers). Other items, including trousers, polo shirts, and shoes, are not currently included, but we may consider this in the future if there is demand.*
