

Maureen Broadbent

(Teacher Governor)

I am a teacher Governor and I have worked as a teacher at Chollerton First School since 1992.

Before I went into education, I worked in a variety of jobs. I studied Psychology at Swansea University, before completing my P.G.C.E. in Devon.

I have taught in a large Primary School in Suffolk before moving to Northumberland in 1991.

If I have any spare time, I enjoy walking in the beautiful Northumberland countryside.
