

Vision Statement

Chollerton C. of E. Aided First School aims to be a school where:

- Children, whatever their needs and abilities are inspired and challenged to achieve full potential in their academic, creative, personal, physical, moral and spiritual development.
- Highly motivated staff make learning relevant, exciting and engaging through a rich and creative curriculum.
- Children are nurtured and feel happy and safe to grow and develop in confidence.
- Christian values are embedded in every activity and relationship.
- Active participation in daily worship is encouraged and close links with our Church and the wider community are fostered.
- Individuality and diversity is respected and celebrated.
- In a caring place, children and adults feel they make a contribution and are valued as individuals.
- Staff in partnership with parents, children, governors, the Church and the community all play a part in realising our vision.
