

Judith Ridley
(Parent Governor)

I joined the board of Governors at Chollerton First School in 2014 as a parent governor. I have 5 children; 3 attended the school and 2 are currently pupils in the school.

I am a partner in our Joinery business based in Hexham and also work part-time as a carer.

I am currently involved in our local scout group as a cub leader. In my spare time I enjoy cooking and reading.
