School Newsletter

Week Commencing 2nd May 2022

Updates from Mrs Davey

A short week but a busy one. Unfortunately, Patrick was unable to attend this week and Mr Brown has rearranged his week to be in school. We have several children testing positive for Covid so please remain vigilant. This strain seems to present itself as a headache, sickness and temperature. On a happier note, class 2 are intrigued with circuits and class 1 is looking at building materials used in our school.

This Week at Chollerton

Mrs Ellison joined us to teach **Modern Foreign Languages – French**.

Class 2 were learning about making circuits and switches in **Science** with **Mrs Nichols**.

Anna English returned with the Library service this week and was joined by **Bonnie** and **Niko** the reading dogs. They all worked with Year 3's.

Mrs Hewitt came to talk to class one about 3D Shapes, reiterating what they learned last week. She also did a whole school assembly to initiate ideas of why we love our school to put into a flag.

Becky is back for **PE** class – this term the children are working on **athletics**.

Be the best you can be through:

challenge, nurture, inspiration, respect, happiness inclusion, in a safe, loving Christian family.

Chollerton C of E First School
