

### **Patricia Simpson (Chair of Governors)**

I was appointed to the Board of Governors as Local Education Authority Governor (LEA) in 2000 and elected Chair in 2009.

I presently sit on the Staffing, Finance, Health & Safety & Property Committee and the Headteacher's Performance Management Committee as well as being the Governor with responsibility for Safeguarding.

My association with Chollerton First School began in 1990 when my son, and later my daughter, attended and I have been a volunteer in school since 1997.

Professionally, I am a non-practising solicitor and I sit as a Justice of the Peace.

I also work part-time in the NHS as supervision of volunteers.
