### Week Commencing 9<sup>th</sup> May 2022

#### Updates from Mrs Davey

We are very proud of our Year 4's as they have taken on many challenges, some of which they were not sure about. They were a pleasure to take away, and Mrs Glenwright and Sheena enjoyed their company.

We had an amazing day with Tracey from Hoopstarz. She taught us how to hula hoop correctly and how to control hoops in many ways. This involved teamwork, listening and following instructions. Cheerleading was a great workout and a complex routine which everyone achieved.

#### **This Week at Chollerton**

**Swimming** lessons continued at the Wentworth this week.

Thank you to **Wattie** who was kind enough to bring in his **leaf insect** to show the school. We watched some information about the insect on YouTube and are fascinated with how intelligent these creatures are.

**Year 4** have enjoyed their fun-filled trip to **Kingswood**. Lots of new friendships were formed and we are proud of the children for representing Chollerton.

**Tracey** from **Hoopstarz** came to school, everyone thoroughly enjoyed learning how to hula hoop and the cheerleading workshop.

**Becky** is back for **PE** class – this term the children are working on **athletics**.

The school nurse has been in this afternoon to measure the **Reception** children's height and weight. This was due to be next week but they rescheduled at the last minute to come today.

**Year's 2 and 3** have been working with **Ms Nichols** on writing and illustrating a poem about unusual things.
